Interior

The Cabin is configured for **10 passengers**. Entering the aircraft immediately across the main entry door on the right-hand side is the main galley which features a TIA microwave oven, TIA coffee maker, high temp oven, ice drawer and ample storage. Moving into the main cabin through a solid standing pocket door is a **Four (4)** place club followed by a left-handed **Two (2)** place club that opposes a right-hand **Four (4)** place Berthable divan. Continuing aft is the lavatory with a chemical toilet on the right-hand side that opposes a left-hand closet, followed by the baggage compartment.

Hourly Rate

Local Flights - \$6,500/hr

International Flight - \$7,500/hr

Base and Configuration

The aircraft will be primarily based in **Lagos, Nigeria**, with operational flexibility between Lagos and Abuja to best serve regional demand.

Cabin configuration

- 10 passenger seats
- Forward four-seat club arrangement
- Aft-cabin two opposing club seats
- Aft four-place berthable divan
- Belted lavatory (optional 11th seat)

This configuration allows flexibility for executive, leisure, and long-haul missions.
